All our allergen information is recorded and available upon request. Please let your server know about any intolerance to specific allergens and we will be able to guide you to which of our dishes are safe for you to eat.

While as a company we take steps to minimize the risk of cross contamination when preparing your order in our kitchen, however due to the layout and operational constraints of our kitchen we do not have specific allergen free zones and it is therefore not possible for us to fully guarantee separation of all allergens.

Please note the information may not always be supplied by your server but a trained member of our team who will be able to assist. If you would like further information on our cooking methods, please do not be afraid to ask one of our team members.
